The Co-Op Policy assures high standard practices to maintain a quality program.

The OESP Office will answer any questions regarding the Co-Op Program and walk you through the registration process.

Symplicity is a management system that will facilitate the process of recruiting and hiring co-op students.

A job description will define the experience of the student in your company.

Plan in advance. The dates for recruiting students are in place according to the academic year.

Communicate your datelines to the students you interview.

Communication is key to sustain a high quality program.

Make sure that all responsible parties are aware of the co-op student.

Mentoring a co-op student is a fulfilling experience.
