STUDENT MEDICAL PLAN WHILE ON CO-OP SPRING 2022

While on co-op assignment your tuition account is not automatically charged the Medical Plan fee. Please complete this form to join or decline enrollment in the Student Medical Plan.

_____ I would like to be enrolled in the Student Medical Plan while on Co-Op. I understand the fee of $1,596 will be placed on my tuition account. The period of coverage for spring semester 2022 is January 10, 2022 to July 31, 2022.

_____ I would like to decline participation in the Student Medical Plan because I already have health insurance coverage that meets the University’s waiver criteria. I am currently insured with the following company:

__________________________________________________________

Waiver Criteria

1. Plan must be fully compliant with all coverage and consumer protection requirements outlined under the Patient Protection and Affordable Care Act (PPACA).
2. Coverage is currently active and the student agrees to maintain health coverage throughout the entire policy year.
3. Coverage for pre-existing conditions with no waiting period.
4. Plan provides coverage in Northeast Ohio or where enrolled in CWRU classes.
5. Plan provides emergency and non-emergency inpatient and outpatient (laboratory, diagnostic services, primary and specialty care and physical therapy) and inpatient and outpatient health/substance abuse as any other condition.

In addition to meeting the above criteria, international students must:

1. Have coverage for emergency medical evacuation in the amount of at least $50,000 (medical evacuation is emergency transportation to the nearest, most qualified treatment facility).
2. Have coverage of at least $25,000 for repatriation (repatriation provide transportation to the student’s home country in the event of death).

Student’s Name:

_________________________________________________________________________

Student ID number: __________________________ Date: __________________________

PLEASE COMPLETE THIS FORM AND RETURN IT TO THE UNIVERSITY HEALTH SERVICE BY JANUARY 21, 2022 OR EMAIL MEDICALPLAN@CASE.EDU
